

# Seven-times CEO Loves Me Chapter 1 To 5

---

## C1 I'm gonna give you a chance

Imperial City.

The news of the marriage of the second son of the God family to the Chen family's daughter gushed out, shaking the entire country. The entire country was in joy, and all the women in the world were envious.

Two o'clock in the afternoon.

Under the wall outside the red house.

"Baby, do you have enough?" Wan Mi Lai who was squatting on the ground and acting as a stepping stone was exceptionally exhausted.

Tang Bao lowered her head to take a look, her small, exquisite, snow-white face was also flushed from the torment: "Just a little more, I'll be able to reach the balcony's guardrail."

"I just wanted you to shit on my head and pee. Di Jun Bai must have dug another's ancestral grave in his previous life, to make you like him so much, and be loyal to him. He's getting married today, and you're here to make trouble. " Wan Mi Lai didn't know whether it was good or bad that he was helping the evil.

"Don't speak, save your strength and lend me a hand!" Tang Bao panicked. If I miss time, I will cry my heart out in regret. "

In order to not let Tang Bao cry herself to death, as a good friend, Wan Mi Lai could only grit his teeth and raise his shoulders with all his might.

Tang Bao reached out her hands to grab the fence as well. This time she grabbed it.

"Got it!"

With Wan Mi Lai's help, Tang Bao risked his life to climb over the fence. Breathing heavily, he crawled up from the ground and walked inside the house.

Inside the room, the bride was already dressed in a snow-white wedding dress. She was shy as she faced the mirror, unable to hide the happiness on her face. But in Tang Bao's eyes, it was extremely dazzling.

A brick appeared in Tang Bao's hand. She threw it with a bang at the back of the bride's neck, crisp and clean —

"En!" The bride groaned before collapsing limply to the ground. He had fainted.

Tang Bao's delicate face revealed a smile of victory. She could only marry her to Di Jun Bai, so other people shouldn't even think about it.

The wedding ceremony was on time. The bride was supported by her family as she walked onto the stage. At the end of the stage was the groom, who was standing there in a black suit. He was tall and straight, and his broad shoulders gave people a sense of security.

Below the stage were the guests. Those who came to participate were either rich or noble, and they were all first-rate non-rich or noble. They were not even second or third rate experts.

Tang Bao's face was covered by a hazy white veil. Others could not see the bride's true face, so long as she did not speak, there would be no problem.

What made her nervous was that she was about to become Di Jun Bai's bride.

Every step closer made her palms sweat.

With a joyful heart, Tang Bao stood behind the groom. When the groom turned around, Tang Bao shyly raised her small face, but her expression suddenly froze in the next second — —

The deep facial features carried a sense of nobility with a handsome appearance. The vast expanse of black pupils were bottomless, and the entire body emitted a dominating invading aura. It was like a wild beast that was hibernating, causing people to feel fear and trepidation.

"B-big brother?"

Wan Mi Lai who was hiding outside and peeking at the groom's face suddenly fell to the ground with a loud thud, looking at the groom who was not looking at him in fear.

Tang Bao's brain could not react at all.

How could it be Di Hao Tian? It's Di Jun Bai's big brother!

Tang Bao turned her head in panic to look for Di Jun Bai, but she found that Di Jun Bai was sitting in the guest's seat, smiling gently at her. This made her very depressed.

"I don't know, you were so eager to become my woman. I'll give you this chance. " Di Hao Tian's deep, magnetic voice carried a hint of teasing.

"It's not like that, isn't homoplatinum getting married today?" Tang Bao asked, she was stunned!

## C2 "If you dare to resist, I will kill you!"

If you dare to resist, I will kill you!]

"Today is my wedding." Di Hao Tian's thin lips slightly moved, the light in her eyes becoming more wanton.

"Sorry, I... I was wrong, I thought it was homoplatinum's wedding. " Tang Bao could not remain calm, it was such a black dragon that she only wanted to escape.

Furthermore, she knew how difficult it was to mess with Di Hao Tian. He was the true master of the Di Clan. It was rumored that even if you had offended the King of Hell, you should not have offended the devil, Di Hao Tian. But Tang Bao knew that that was not a rumor. That was true.

Di Hao Tian immediately pulled her towards him forcefully, his eyes that were as cold as a cold pond filled with power: "Since you're here, there's no reason for you to leave."

"How can I let you go when I want to be my woman and climb the wall without caring about the danger?" The dark and knowledgeable smile in Di Hao Tian's eyes made Tang Bao's hair stand on end.

"No ... " No, I really made a mistake, I thought that today was homoplatinum's wedding. I hid your bride in the closet. She's almost awake, she's your bride, really ... " Tang Bao was afraid that he did not see her face clearly, so she lifted the veil covering her head. Look, I really am not. "

She didn't want to marry this terrifying man.

She would be bullied to the point that not even her bones would remain.

Her target was the gentle Di Jun Bai!

"I... I want to go, let me go. " Tang Bao panicked, his voice trembling.

She didn't want to be foolishly married to a man with monstrous power and great danger.

"Are you sure?" Di Hao Tian laughed sinisterly.

Tang Bao's gaze followed Di Hao Tian's line of sight, only to see Wan Mi Lai hiding by the door with a black gun at the back of her head. Wan Mi Lai was too focused on watching the wedding that he did not even notice that his life was about to end.

"Either you stay, or her life." A threatening voice rang in his ears.

Tang Bao froze in place.

She knew. Di Hao Tian definitely had the skills, killing Wan Mi Lai was as easy as stomping on an ant. Even in front of so many guests ...

"Baby be good. After the wedding, nothing will happen to her."

Tang Bao was so angry that her face was twisted, she could not resist and was held under Di Hao Tian's arms, her slim waist could not even move if she wanted to. It was as if what was imprisoning her wasn't her arm, but the metal chain. It was extremely powerful.

Under the witness of the priest, Tang Bao was in a daze.

She didn't even know what Di Hao Tian meant by that.

Is this a marriage? How could this be a joke? Why did he marry her? The bride had been swapped.

This was especially true for the guests below the stage. They did not seem surprised at all. Why? Was it because of Di Hao Tian's power?

Yes. Whatever Di Hao Tian wanted to do, no one could argue against it, and no one dared to do so. Rampage was dangerous.

God is a big joke.

Why wasn't he married? If so, she was his bride now.

"Ugh ..." Tang Bao's rosy lips were devoured, causing her to open her eyes wide in fear.

Her first kiss!

"If you dare to resist, I'll kill you." Just as Tang Bao was about to resist, Di Hao Tian stuck close to her lips and said those threatening words.

### **C3 No room for regret**

Knowing what that meant, Tang Bao's anger was deflated like a rubber ball.

Tang Bao was locked in her suite at the hotel. When she opened the door, she saw all of her bodyguards standing outside. She could only retreat.

She opened the window again. There was indeed a balcony, but was she still going to live after jumping down more than ten floors?

There was no way he would be able to escape.

She sat on the sofa and thought about how she had provoked Di Hao Tian.

She only knew Di Jun Bai, he was a person who was unreachable, he was not as easy to get along with as Di Jun Bai, he was gentle and refined. Otherwise, Tang Bao, who came from a rich and powerful family at a young age, would not be able to get close to the other party's house.

At that time, Tang Bao was on the road and was almost hit by a car, it was Di Jun Bai who saved her. Once she was saved, her entire heart followed her and she swore to marry Di Jun Bai. After knowing Di Jun Bai's identity, she didn't care, she only liked him.

As for Di Hao Tian, it was likely that everyone in the imperial city knew him.

With a single hand, he covered the sky with his palm and was extremely domineering and ruthless.

And in reality, he had met Di Jun Bai once before. It was at the Di Clan's banquet. How many young talents of various sects would want to get close to Di Hao Tian, but they would still remember how cold, proud, uninhibited, and noble that person was.

Tang Bao couldn't understand why she married Di Hao Tian. Yes, she did this, but Di Hao Tian can tell her to scram.

The air carried an invasion force, causing Tang Bao to be startled when she

saw the person who entered. She immediately stood up defensively and dodged to the side.

Di Hao Tian's clean and straight suit was open, her tie was loose, and she sat down at the spot where she used to sit with a wild aura. Even though it was not the kind of pressure that came from standing, it did not diminish even when sitting down.

Di Hao Tian took out a lighter, lit up a cigarette, and bit his lips. A slender hand was holding a silver lighter. As it flipped the lid, a knocking sound could be heard. It was a terrifying sound.

"Come here." Her voice was deep and melodious, like the call of an envoy from hell.

"I don't like the smell of smoke." Tang Bao rejected her.

Di Hao Tian did not say a word, and extinguished his cigarette in the ashtray beside him.

Tang Bao was startled, she did not dislike the smell of smoke that much, it was just a good reason to reject it, who wanted to go? Ye Zichen didn't think that he actually extinguished the cigarette.

But now that the smoke was out, she didn't want to go over.

Tang Bao heard the danger in her tone and could only go over slowly. Then her waist was restrained and she wrapped her arms around her.

Tang Bao suddenly sat on Di Hao Tian's thigh. The muscles on her thigh were extremely tight, and with heat penetrating through the cloth, her face completely flushed red.

She had never been so intimate with a man before.

Di Hao Tian was very satisfied with her rough reaction, the deep darkness in her eyes. She extended her hand to pinch Tang Bao's lower jaw, forcing her to look into his black eyes.

Tang Bao was startled by his overbearing and overbearing methods, and looked at him uneasily.

"Trying to escape?"

Tang Bao knew that it was definitely what his subordinate outside said, so she did not deny it at all: "... "Yes."

"Remember, you are the one who should not go back on your word." Di Hao Tian's voice was low and overbearing.

"Why should the wedding continue? You know full well that I am not your bride. "

Tang Bao was confused. Could it be that she did some extraordinary thing in the past and provoked Di Hao Tian?

#### **C4 Let's just take this as a reason for now**

But, had she really only seen Di Hao Tian once? Besides, if she provoked him, he shouldn't use marriage to deal with her, right?

"..."

"Also, I don't care what relationship you have with Di Jun Bai, but in the future, don't let me see things that I shouldn't see. Do you understand? "

"What do you mean three from four?" Tang Bao was confused by the question, and blinked her long eyelashes.

"Never look at a man outside his husband; never say no to him; never allow anything against him."

Tang Bao stared at the shameless person with a flushed face. However, it seemed that Di Hao Tian had not finished.

"If you want to enter the kitchen, leave the hall, get into bed, and get off the floor." Di Hao Tian said out everything he asked for, and the power in his black eyes could not be resisted in the slightest.

Tang Bao was dumbstruck.

So this was three from four? This was obviously because Di Hao Tian was too shameless and was a rogue.

"There's no such thing." Tang Bao did not agree.

"I have the final say." Di Hao Tian gave an evil smile, looking extremely domineering.

"..." Tang Bao asked angrily.

After leaving the hotel, Tang Bao sat in Di Hao Tian's black domineering carriage with the bodyguards following behind.

Tang Bao sat on the leather chair silently, biting onto the veil in her mouth, as if she was biting Di Hao Tian.

His heart was in chaos.

How could her life have changed in such an unimaginable way? She really hoped that this was just a dream of being invaded by the demon Di Hao Tian.

Tang Bao also did not know where Di Hao Tian lived.

But after getting off the carriage, Tang Bao was stupefied. Is this a house? Nor was the villa. Are you sure this isn't a noble castle? Its outer appearance was a cold luster that reflected an extravagant aura under the night sky. That value was definitely not something that could be estimated. The street lamps and footlights were bright and transparent, like the diamond road to the castle.

"Do you like it?" A low voice entered his ears.

Tang Bao immediately dodged to the side with the wedding dress, looking gloomy: "No matter how good it is, it's not mine."

"From now on, you are the mistress of this place." Di Hao Tian was extremely imposing. 's expression was real, the displeasure on his face was clearly visible.

Did this little thing have countless women dreaming of being his woman? If it was anyone else, let alone getting married, they would have already passed out from having a one-night stand with him.

Tang Bao entered the castle and was brought by Di Hao Tian into her room, causing her to feel extremely uncomfortable.

Especially when Di Hao Tian saw that she started to take off her clothes the moment she entered the room, she became even more flustered.

"What are you afraid of?" Di Hao Tian took off his jacket and pulled Tang Bao away.

"AHH!" Tang Bao smashed into the firm and hard chest, and in the next

moment, she was thrown onto the huge bed. Just as Tang Bao regained her senses from the dizziness, she was shrouded in a tight shadow, scaring her out of her wits.

Di Hao Tian took off his jacket and tie. Three buttons on his shirt were opened, revealing his strong muscles.

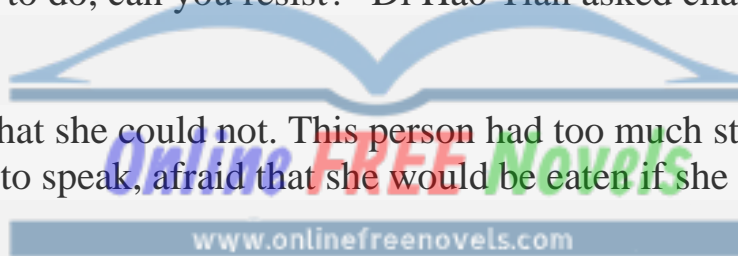

Heavens, she was still a pure baby. Giving her such a strong man was something she couldn't bear!

## **C5 can make you feel good physically and mentally**

Tang Bao unconsciously swallowed her saliva. "What are you trying to do?"

"If what I want to do, can you resist?" Di Hao Tian asked charmingly.

Tang Bao felt that she could not. This person had too much strength, but she was too scared to speak, afraid that she would be eaten if she opened her mouth.

"Do you want to bathe together?" Di Hao Tian pinched her tender lower jaw and vaguely invited her to join him.

Tang Bao was horrified, she wanted to shake her head, but when she realized that her lower jaw was locked, he opened her mouth: "You ... "You wash first."

Di Hao Tian got up from her body and went to the bathroom with an evil smile on his face.

As the pressure faded, Tang Bao held onto his chest, feeling as though her heart was about to jump out of his chest.

Oh my god, don't tell me the wedding night is coming? How could this be allowed? She came here without a choice. She still had to leave Di Hao Tian.

She didn't want to marry such a dangerous man for no reason at all.

Then what should he do? There was no way he would be able to escape.

Tang Bao got off the bed, anxious. First, she stared at the wall without moving, and then she retreated to a certain distance from the wall. After seeing that it was almost done, he held her breath and rushed towards the wall

— —

With a 'bang', Tang Bao fell onto the ground and stopped moving.

Halfway through taking off his clothes, Di Hao Tian's expression turned serious. When he walked out of the bathroom, he saw Tang Bao lying on the floor motionlessly.

He walked up and picked her up, only to realize that she had fainted from the impact.

Di Hao Tian's face was as black as the bottom of a pot, frighteningly sinister and malicious.

When Tang Bao woke up, she found herself lying on the bed. She turned her head and was stunned when she saw the face of the man who shared a bed with her.

"AHH!"

Di Hao Tian opened his cold black eyes, exuding a sharp luster, as he asked

in a low and imposing voice: "What are you yelling for?"

"Why are you sleeping in my bed?" Tang Bao said fearfully, as if he had just noticed that something was wrong with his body. "Lowering his head, he saw that he was not wearing a single strand of muslin." "AHH!"

Tang Bao screamed again, as if she had been chased away by a wolf.

Pulling up the only blanket on the bed, he wrapped himself in it and ran under the bed. Di Hao Tian, who was on the bed, did not even wear a pajamas. Just standing there with his body open, it was as if the wild aura he gave off was innate and aggressive.

When Tang Bao's gaze landed on Di Hao Tian's body, her clear eyes became filled with fear, and she immediately turned around.

Di Hao Tian who was lying on the bed raised the corner of his mouth. His black eyes slightly darkened with a cold light, concealing his evil nature. He got up from the bed and walked towards Tang Bao, who was facing her back.

When he retracted his gaze, Tang Bao saw that the redness on the back of Tang Bao's ears had extended all the way to his neck. However, Di Hao Tian still approached her without a care. The girl's body was emitting a fragrance, causing Di Hao Tian's gaze to darken, as if he was hiding a beast.

"Baby, are you satisfied?" A deep voice that sounded like a sigh came from behind his ears, and a scorching aura gushed out.

Tang Bao's entire body trembled. She instinctively wanted to escape, but her waist was firmly held down.

"Let me go, I don't know what you're talking about." Tang Bao felt his face

burning.

"No need to be shy, and there's no need to be shy." After Di Hao Tian finished speaking, she opened her lips and bit on Tang Bao's shoulder with her sharp teeth.

"Ah, it hurts!" You... "Don't do that ..." A feeling of pain came from her shoulder. Although it was not very serious, it was not very comfortable either, causing her scalp to tingle.
